

# Product Specification Sheet

## Operating Systems

Windows XP / 2003 / VISTA / 7 / 2010, Unix, HP/UX, Linux, iSeries/AS400, MPE/iX, AIX, Sun/Solaris, and Open VMS.

## System Requirements

Windows: 2GB RAM or greater  
2GHz or faster  
1024x768 with 16bit resolution

JAVA 1.6 (Automatically installed with PC installation. PC install will not overwrite system JAVA.)

Unix, HP/UX, JAVA 1.5 or later  
Linux, AIX,  
Sun/Solaris  
iSeries/AS400 JAVA 1.5 or later, OS-V5R4 or greater

## Supported Printers – PCL5/Postscript/XML/AFPDS

Hewlett Packard, Lexmark, Canon, Toshiba, Ricoh, IBM, Dell, Brother, Zebra, Datamax, and Monarch

## Supported Databases

SQL, MySQL, Access, Oracle, Image, Eloquence, DB2 (iSeries), Informix, Sybase, Progress.

## Conditional Logic Language

is equal to starts with  
is not equal to ends with  
is less than contains  
is greater than (and + or)

## Variable Functions

Concatenate Insert String  
Set Value Substring  
Replace Right Trim  
Left Trim Uppercase  
Lowercase Table Lookup  
SQL Lookup

## Shipping Functions

USPS eVS Barcode Data Generator  
Newgistics SmartLabel Barcode Data Generator

## Input Fields

Check Box Combo Box  
List Box Push Button  
Text Area Text Box  
Radio Button Group

## Procedures

Calculations Set Variable  
Sum Numeric Format  
SQL Update

## Printer Control Options

Simplex  
Long-Edge Duplex  
Short-Edge Duplex

## Page Sizes

Custom A5, A4, A3  
Executive Monarch  
Letter Com-10  
Legal DL  
Ledger B5  
C5

## Supported Barcodes & Fonts ( 90, 180, 270 degree rotation )

### 1D Barcodes

3 of 9 JAN 8  
3 of 9 EXT JAN 13  
2 of 5 MSI  
CODABAR UPCA  
CODE 11 UPCE  
CODE 128 POSTNET  
EAN 8 USER-DEFINED  
EAN 13 INTELLIGENT MAIL

### 2D Barcodes

MaxiCode Aztec  
Data Matrix PDF417  
QR (Quick Response)

### Special Fonts

MICR13B OCRA  
Secure Amount

### Additional Features

Character/Hex Translator, Collate/Uncollate Output  
Constants, Control Code Data Parser, Global Variables  
Load Images ( internal / external reference )  
Multi-Color Viewer ( data, variables, constants )  
Multiple Pre-Processors, Notify Action, Page Range Selection  
Sort Functionality, System Variables

### Independent Toolkits w/Print Monitor

Windows, iSeries ( AS400 ), Unix/Linux

### Multi-Byte Character Support

Asian, European, Arabic Languages
